Winter Break  
December 23, 2019-  
January 3, 2020

## Prairie Knolls Middle School December/January 2020 Falcon Flyer

# Dr. Haug's Message

Here we are at the beginning of December and that means we are only three weeks away before Winter Break. That said, remember that due to our starting earlier this school year, we will end Quarter 2 on December 20. There is much that we have to complete in the next three weeks.

First, we turn our attention to our 7<sup>th</sup> grade students so that they can begin the registration process for Central Middle School. On Monday, December 2<sup>nd</sup>, the 7<sup>th</sup> grade students will have a presentation from CMS Assistant Principal, Cathy Britts-Axen, during their TASK time. Mrs. Britts-Axen will share with the students the process needed to select classes, including Encore electives, for next year. This presentation will later be shared with our families electronically. On Tuesday, December 3<sup>rd</sup>, representatives of Central High School will speak to the 7<sup>th</sup> grade students about elective choices available at CHS in the areas of Fine Arts, Career/Technical Education, and Foreign Language. Our goal is to help launch our 7<sup>th</sup> grade students in the development of 5-year plans as each of these high school departments have connections to 8<sup>th</sup> grade electives in which the students can enroll. Parents, please look for information and communication coming home about this important process.

We also have many athletic contests and musical events taking place in the coming three weeks. On December 3<sup>rd</sup> and 10<sup>th</sup> we have home basketball games in which our PKMS Falcon Cheerleaders will lead our crowds in supporting the boys as they take on DeKalb Huntley and Belvidere South. Don't forget that Tuesday, December 10<sup>th</sup> is our "Pack The Place" night! As for our music events this month, Thursday, December 5<sup>th</sup> is our Chorus Concert and Wednesday, December 11<sup>th</sup> is our Band Concert. Both events start at 7:00 p.m. and will take place in the Gym.

Finally, as I reflect upon the beginning of this school year, I am amazed how quickly it has flown by and how much our students and staff have accomplished in this timeframe. It might be easy to miss the magic that is happening in our school on a daily basis. The PKMS staff members work with students to incrementally build skills and conceptual understanding in each day's lesson. However, when I look back at the total picture painted through the data that we collect, it is clear that their accumulated efforts are helping our students achieve significant academic growth year-to-year. Furthermore, our students feel academically challenged and have a strong sense of trust in their teachers. We are very fortunate to have this culture in our school and I am thankful to lead and learn with them each day. I want to take this opportunity to publically thank the staff of Prairie Knolls Middle School for the attention, dedication, expertise and passion that they bring to school each and every day.

It is my sincere wish that all in our PK community enjoy a restful Thanksgiving Break, filled with family and friends, as we prepare for the final three weeks of this quarter.

# Assistant Principal's Corner

“How do I keep my child sharp over the two week break?” I hear you; this is a common question from parents. The key to keeping a student ready to learn, and retain what they have already learned, is to keep their minds and bodies active. I have done some research about tips for keeping students sharp over breaks, and have compiled my own list:

1. Continue to read your independent book for ELA! By continuing to read, students’ minds can stay active and they can practice their reading skills.
2. Stay active with winter activities. Get those kiddos outside by taking them sledding, on a winter hike, or build a snowman. Physical activity is scientifically proven to increase brain function.
3. Play board games. Board games promote problem solving, strategic thinking, and organization. Some of my favorites: Clue, Monopoly, Trivial Pursuit, Scattegories, and Sequence.
4. Have your children help out around the house with chores. By completing tasks around the house, kids can build a feeling of responsibility and ownership. Students who have pride in themselves and the work they do are more likely to perform better in school.
5. Set a schedule. Review the calendar with the family right when break starts. This will allow everyone to know what to expect each day, and stick with a routine. Being in a routine can help the transition back to school when the time comes.

Have a fantastic break and a Happy New Year! Let’s get excited for 2020!

## Central #301 and “Toys for Tots”

We are pleased to share that Central District 301 is again partnering with Toys for Tots and that PKMS is an official donation location!

Now through December 13th, students, families and staff can drop off **new and unwrapped** toys in the donation bins at any of our school buildings. The PKMS donation box is located in our front foyer. The District #301 Leadership Team is again combining efforts with student organizations and clubs to sponsor a “We are Central – Fill the Bus!” event, during which a festive holiday bus will visit every school site during the

school day to collect the donations. A special thank you goes to our Central High School students and CHS teacher Zandra McGuire for organizing the event.

We are excited to have this opportunity to support needy children in our area and hope that you will join us in helping to brighten a Kane County child’s holiday.

## News from Nurse Tracy Grote

A healthy school is in our hands. With flu season upon us, proper hand hygiene and appropriate prevention measures are important in minimizing the spread of germs. Most experts believe flu viruses spread by droplets made when someone with the virus coughs, sneezes, or talks. Please remind your student to:

- Frequently wash their hands with soap and water
- Avoid close contact with individuals who may be sick
- Not share personal items
- Completely cover their mouth when sneezing or coughing
- Avoid touching their eyes, nose, and mouth

Signs of the flu can include fever, cough, sore throat, runny or congested nose, feeling weak or more tired than usual, chills, and body aches. If your child has been diagnosed with the flu or if you suspect flu based on these symptoms, ***please do not send him/her to school and continue to keep your child home until symptom free for 24 hours.***

## Community Information

In an effort to make communication more efficient and effective, District 301 has created a Digital Bulletin Board page on the district website. All approved flyers will be posted under “Communications” on the main district page or at this link:

### Digital Bulletin Board

## Cocoa Café December 5<sup>th</sup> and 6<sup>th</sup>

Student Council is excited to have parents and students attend our Cocoa Cafe on December 5th and 6th. We can't wait to celebrate with both students and families the successes of 1st quarter academics. To qualify for this event, students should not have received any D or F grades or had any discipline issues for the first quarter. All parents received an email if their student qualified. **The Reservation Google Form will close at 11:55 pm., on December 2, 2019.** Parents should come 10 minutes before their scheduled reservation for early check in, please have your Driver's License handy. We look forward to some cookies, cocoa, and conversation!

**“Grand Giving of Gifts” sponsored by S.T.A.R.**

In the spirit of giving and sharing with others, our S.T.A.R. Club (Students That Accept Responsibility) is sponsoring a new event this year to provide needed items for the homeless at this time of year. Titled “Grand Giving of Gifts”, each day of December is identified with a specific item that will be collected, loaded into a backpack, and ultimately donated to a local homeless shelter. The idea is that the backpack becomes a “grab-and-go” support for an individual or family. Mrs. Japuntich, our S.T.A.R. supervisor, has participated in this type of event before and shared that the backpack itself is very useful for individuals. Items will be collected in 1<sup>st</sup> period classes from Monday, December 2<sup>nd</sup> through Friday, December 20<sup>th</sup>, and we are looking for one item collected each day from a 1<sup>st</sup> period classroom (however, multiple students donating from a 1<sup>st</sup> period classroom is appreciated and extra items will be donated in bulk to a shelter). The calendar of donated items is found below:

December's Grand Giving of Gifts						
Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
1. 	2. Wipes - soft package 	3. Mandarin Oranges - cans, pop tops (2) 	4. Wash Cloth (2) 	5. Small Towel 	6. Socks - 2 pairs 	7. ToothBrush and tooth paste 
8. Ziploc bags - sandwich size 	9. Canned Meat (Pop-Top) 	10. Trail Mix 	11. Long Thermal Shirt 	12. Long Thermal Pants 	13. Hand and feet warmers (4) 	14. Band-Aids 
15. Small Blankets 	16. Chap Stick (2) 	17. Gloves 	18. Hand Sanitizer closeable lid 	19. Small Jar of Peanut butter 	20. Hat 	21. 

# Virus Day 2019

Dear 7<sup>th</sup> Grade Parents,

On Friday, December 20, 2019, the seventh grade students will participate in "Virus Day." They will spend the morning problem solving as a group to try to determine "Patient Zero," the person that unintentionally exposed the Prairie Knolls staff to a contagious virus. It is an exciting day for the students and teachers alike!

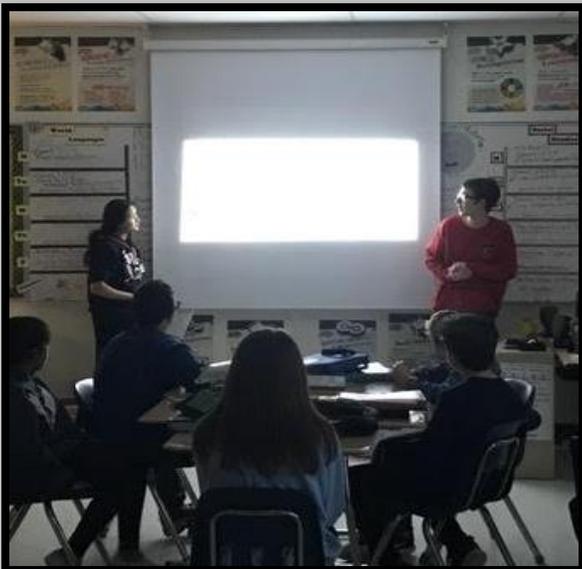

We are in need of several parents to help from 8:00 - 11:00 a.m. that morning. Your role will be that of a timekeeper and supervisor. A brief training will be provided the morning of Virus Day so that you know exactly what you will need to do for this event.

If you are able to help, please email [john.freeman@central301.net](mailto:john.freeman@central301.net) on or before December 6th, 2019. In your email, please include a **phone number** to reach you as well as the name of your 7th grade student.

You will receive an email or phone call to confirm your availability. If you do not receive one within 2 days of signing up, please call and leave a message at the office.

Thank you,  
John Freeman  
Jill Schmidt  
Joseph O'Donnell

## Encore Department News

In World Languages, we ended 2nd quarter with our high school visitors (Spanish & German Honor Society students) coming to share the many benefits and career opportunities to follow when choosing to take either German or Spanish in 8th grade/high school. We will be starting off 3rd quarter with our greetings vocabulary! In class each day, students will be using the terms and phrases moving toward eventually creating and having conversations with each other. This is always a fun unit as student's creativity tends to shine as they are introduced to other languages and cultures. Here's to a successful and fun-filled 3rd quarter!

# 6<sup>th</sup> Grade Team News

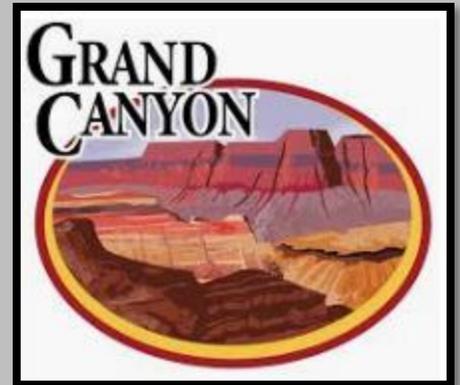

**ELA-** After having fun with graphic novels during Quarter 1, we are currently reading nonfiction books that the students chose based on interest. The books include *Amelia Lost* by Candace Fleming, *Trapped* by Marc Aronson, *Blizzard of Glass* by Sally Walker, and *Candy Bomber* by Michael O. Tunnell. We will venture into some of our standards such as central idea, meaning of unknown words/context clues, theme, and summary. We will also have the students write a short narrative piece exploring the use of dialogue. Keep up all the awesome reading at home during the time off in December and January!

**Social Studies** - The Athenians and Spartans know each other's differences, but will have to pull together to battle the land-hungry Persians in the Persian Wars. This hectic time in history will be followed by a peaceful Golden Age of Athens with Alexander the Great rising to the scene and building a powerful empire causing students to question and debate if he really was 'great'?

**Math-** Students completed their coordinate plane unit by creating a logo for their 6th grade team. They started by plotting points and their images (reflections), then could enhance the logo by adding their own lines, curves and color. Winning Logos were selected! Currently we are in the midst of our Expressions unit. Following this unit we will write and solve equations using real world scenarios.

**Science-** Students have been learning about how and where sedimentary rocks form. They have specifically learned about Sandstone, Limestone and Shale. Since the anchor of our geological studies is the Grand Canyon, we have learned about the layers of sandstone, limestone and shale and the past environments that these layers formed in the Grand Canyon. We have now begun our studies of fossils. Fossils can help scientists determine how old layers are in the Grand Canyon. Our new knowledge will help us to analyze Earth's history by using the rock layers and fossils in them.

# 7<sup>th</sup> Grade Team News

**Science** - December brings wintery weather, the holiday season, and lots of people getting sick! This is exactly why we explore our germ unit leading up to Winter Break. The 7th-grade science students will be learning about bacteria and viruses as they swab our school building for germs, they do a mock lab that mimics the spread of an infectious disease, and they end the unit with a problem-solving activity called Virus Day! In January, science students will begin learning about different ecosystems and how living things interact with each other and their environments.

**ELA** - Now that we have wrapped up our first thematic unit focused on determination, ELA classes will delve into a unit about responsibility. Within that unit, students will read various texts, and they will have an opportunity for creative writing in the form of a narrative that asks them to change the point of view of a fictional story read in class and retell that story through another character's perspective. This unit on responsibility will lead to discussions about social responsibility and the importance of giving back. Students will learn about an important historical figure who

showed much social responsibility; this will lead to explanatory research-based speeches in which the students will research and learn about a person of their choosing who showed/shows social responsibility in order to plan a formal speech.

**Math**-7th grade math students are finishing up their unit on Equations and Inequalities. Students recently took a summative assessment. Coming up, students will move into the geometry unit where we will explore different shapes. We will be finding surface area, volume and working with circles. Students will continue to take formative assessments regularly to assess current understanding of material.

**Pre-Algebra**- Pre Algebra is moving past functions and into our percent unit. This is a great unit to bring up at dinner when calculating a tip for a server!

**Social Studies** -To wind down our Revolutionary War unit, our students have created some awesome Time Capsules encompassing many different components and artifacts that could have been "dug up" and opened in order to discover more about the time period. Before long it will be Constitution time! As we progress through the Constitution unit, students will be required to create notecards at various points along the way that they will then use to study from for each quiz. At the end of the unit, they will then have quite a pile of notecards to use for review in preparation for the culminating Constitution test in February.

# Falcon Athletics

Boys' Basketball and Cheerleading are wrapping up their successful seasons in the next couple of weeks. The last games of the season can be found on the PKMS 8to18 website. We want to wish both the basketball and cheerleading squads the best of luck as they compete in the NCJC Basketball Tournament, as well as the NCJC Cheer & Poms Competition that will be held in mid-December.

We would like to thank our STAR program for providing concessions at all home basketball games this season. If you have not had a chance to visit the concession stand, don't worry, they will be returning at the start of the girls' basketball and wrestling seasons.

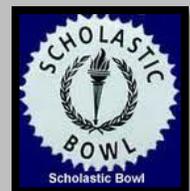

**Wrestling-** The Wrestling season is just beginning. Coach O'Donnell is excited to get things going. Practice will begin on **Monday, December 9th**. Practices are typically held from 3:00-5:00pm. Wrestling is one of the three sports that 6<sup>th</sup> graders are allowed to participate in. Any student interested in joining wrestling must have an 8to18 registration and an up-to-date physical (within one year) on file in the office prior to the start of the season. The \$100 athletic fee is due prior to the first competition. Any questions can be directed to Coach O'Donnell or the athletic director, Mr. Hamel. Upcoming competitions can be found on the PKMS 8to18 website under Wrestling.

**\*Mandatory Wrestling Parent Meeting on Tuesday, December 10th at 5:15pm.**

\*\*Picture Day is Wednesday, January 15th during practice.

**Scholastic Bowl** – The **PKMS/CMS Scholastic Bowl** team had tryouts in November and will be practicing once per week until competitions start in February. Coach Paulus and Coach Bender are looking forward to a great season. A list of their competitions can be found on the PKMS 8to18 website under Scholastic Bowl. Additionally, students must submit the \$35 fee before the first competition. Scholastic bowl is one of the activities that 6<sup>th</sup> graders are allowed to participate in.

**Girls' Basketball** – The **Girls' Basketball** team is scheduled to officially begin their season after our winter break. Coach Valentini & Coach Minehart will have an informational meeting in early December to go over more information for the season. This meeting will take place during PE classes or lunch. Tryouts will take place on Tuesday, December 17th and Wednesday, December 18th (3:00-5:00pm). Upcoming games can be found on the PKMS 8to18 website under Girls Basketball.

**\*Mandatory Girls Basketball Parent Meeting on Tuesday, January 7th at 5:00pm.**

\*\*Picture Day is Wednesday, January 15<sup>th</sup> during practice.

**Below are the general requirements needed to participate in PKMS athletics:**

- Physical (within one year)
- 8to18 Registration
- Fee (\$100.00 due before the first competition)

**\*Any student who does not have these three requirements will not be allowed to tryout or practice!\***

**1<sup>st</sup> Quarter Recognition Breakfast Award Winners**

**Good Character Award:** Ava Edgar, Brianna Gritzman, Tyler McGladdery, Mia Ortiz, Jane Petkovich, Anthony Rajceвич, Camden Sarallo, and Colin Schmidt.

**Exemplary Effort Award:** Jeremy Barcenas, Natalia Gusciora, Kanav Kapur, Tyler Kotwica, Braden LaFleur, Sadie Marquardt, Sophia Munao, Veronica Sample, Reece Scallion, Alayna Schambach, Colin Tammillo, and Kevin Vazquez.

**Academic Award:** Lyubov Astryabska, Caleb Goldenstein, Sanay Gulati, Julian Onayemi, Aaryan Patel, Kennedy Penar, Sohan Shah, Jeeya Sharma, Parina Soni, Jacob Stevenson, Raniel Tan, and Jackson Wipperfurth.

**Prairie Knolls Award:** Keegan Berglind, Teagan Cathcart, Sydney Cavallari, Tea Cetina, Gaetano Chan, Youngjoon Cho, Asher Daniels, Noah Hedlund, Brady Heinz, Yanni Pahigianis, Aima Rahimullah, and Lylah Rendon.

# 1st Quarter Gold Honor Roll

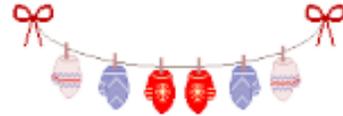

Carolina Acevedo	Ivy DiDomenico	Matthew Kowalik	Alessandro Radosta
Zareen Afeef	Addison Dihel	Alison Kowall	Aima Rahimullah
Shayla Alampi	Ashley Drummond	Addison Krieger	Anthony Rajceвич
Maya Alex	Ryan Dubin	Isabella Labadessa	Zada Riddle
